

## Prof. Aly Saad Short CV

Prof. **Aly Saad** ( born 25 April 1954), is a professor of cardiology at Zagazig University, and a Member ( 2008-2025) and Chairman ( 2019-2022) of Scientific Committee of Promotion of professors and Assistant professors of cardiovascular diseases and Critical care Subspecialty in Egypt ( Supreme council of Egyptian universities).

- **NAME: Prof. Aly Saad MB; BCh; MSc; MD; FESC (Elected y 2000)**
- **DOB: 25/04/1954**
- **JOB: Professor of Cardiovascular medicine – Zagazig university University- Egypt**

- **Chairman of Permanent Scientific Committee for promotion of Professors and assistant professors of cardiovascular medicine ( round 13 2019-2022)**
- **Member of Permanent Scientific Committee for promotion of Professors and assistant professors of cardiovascular medicine (2008-2023).**
- **Investigator and collaborator of Euro Heart Survey ( EHS), and EuroObservational Research Programme ( EORP) of European Society of Cardiology( ESC)( 1999- Now)**
- **Founder/cofounder of first ICU/CCU and and cofounder and first director of cath lab and related units in Zagazig University.**
- **Fellow of European Society of Cardiology ( FESC)( elected year 2000).**
- **Founder and Chairman of Egyptian Cardiologists Group.**
- **Consultant and chairman of Cardiovascular departments in many tertiary and teaching hospitals in Egypt, arabic countries, and Arabic Gulf Countries ( Saudi Arabia, and United Arab Emirates).**

### • **Background**

Before his graduation during undergraduate study he established Zagazig Student Scientific Society, and with group of active medical students founded the Egyptian Associations of Medical Scientific Societies and was the first elected president of this association. The association has wide and invaluable scientific and social activities nationally and internationally, including an annual exchange program for medical students all over the world, organizing and supervising many local and international conferences, Continuing medical education programs, editing many medical and scientific magazines, wide range of medical, scientific and environmental activities.

During this period he prepared and broadcast a public scientific program – *Science in your hands* - on **Abu Dhabi** radio for over 3 years. Immediately postgraduate he with others founded the Society of Young Doctors. After his residency in cardiovascular disease he became an assistant lecturer in cardiovascular diseases and during this period he was a director of catheterization unit.

Then through a long scientific and academic life he became a professor of cardiovascular disease in Zagazig University. He also supervised a long list of leading master and doctorate thesis and published many scientific papers in a wide variety of Cardiovascular subspecialties. He is a founding member of the Working Group of Drug Therapy ( Egyptian Society of Cardiology), and the Egyptian Society of Atherosclerosis that organized a considerable number of national and international conferences, and through them and in others he gave many scientific talks.

### ● **Establishments**

- Founder/cofounder of first ICU/CCU and and cofounder and first director of cath lab and related units in Zagazig University

.Founding member of the Mediterranean Society of Cardiovascular Ultrasound ( member of International Society of Cardiovascular Ultrasound )

- Founding member of The Working Group of Drug Therapy (Egyptian Society of Cardiology )
- Founding member of The Egyptian Society of Atherosclerosis,
- Founding chairman of Egyptian Cardiologists Group.

### ● **Awards**

- Fellow of European Society of Cardiology(FESC) ( Elected y 2000)
- Being a Fellow of the European Society of Cardiology in 2000 and investigators in EHS, EORP, and many others, he has received many acknowledgements in (2000, 2008, 2013)
- Acknowledged from European Society of Cardiology ( ESC) for contribution in EHS research program( 2000, 2008, 2013).
- Acknowledged as an outstanding reviewer by Elsevier Publisher (2014, 2015, 2016,2017, 2018... )
- Best investigator in Euro Heart Survey program of European Society of Cardiology.
- Acknowledged from Zagazig Faculty of medicine and many Other Arabic, Egyptian and international bodies.

- Selected as one of the most eminent cardiologists in the Arabic world by cardiology department, Zagazig University, supreme council of Egyptian universities upon the request of Arab League.
- Selected as one of international expert in preventive Cardiology and member of panel for reviewing guidelines and Putting recommendations in this fields by 9 European societies helping in health plans in European union.
- Author/Coauthor of more than international highly cited publications in top scientific medical journals( includin The Lancet, EHJ, JACC, CHEST, ....etc) beside more than 60 MSC, MD thesis.
- Reviewer of more than 800 articles in the international journals, thesis, projects, scientific organizations, and scientific committees.
- Zagazig University international publications prizes.

### ● **Memberships**

- Member of editorial board of The Egyptian Heart Journal ( the official journal of the Egyptian Society of Cardiology, a member of The European Society of Cardiology ).
- Selected as a member in the European Endothelium Committee (Mediterranean Project).
- Member of organizing committee, speaker and chairman of the 4th World Congress of Echo-cardiography and Vascular Ultrasound organized by the International Society of Cardiovascular Ultrasound (ISCU) (Cairo, January 19–21, 2000)
- Member of the organizing committee, speaker and / or chairman of the annual scientific joint conference of department of cardiology (Zagazig University) and the Egyptian society of cardiology from 1993–2023.
- Member of the panellists of the joint meeting of the Egyptian Society of Cardiology and Texas Heart Institute (Cairo, 1 March 1995)
- Member of scientific board and chairman in the 6th annual congress of the Egyptian working group of Interventional cardiology
- Member of the organizing committee of the annual congress of the Mediterranean Association of Cardiology and Cardiac Surgery (MACCS) in Egypt Sharm El-sheikh ( 7–10 November 2001).
- Member of Executive board of the scientific council of Zagazig faculty of medicine.
- **Voting member of working group of Hypertension and Heart (European Society of Cardiology ), European Association of**

**heart failure, European Association of PCI, European Association of prevention and rehabilitation, ESC Working Group on Myocardial and Pericardial Diseases, Acute Cardiovascular Care Association, ESC Association for acute cardiovascular care ( ACVC), European Association of Cardiovascular Imaging (EACVI), Council on Hypertension, ESC Council for cardiology practice, Council on Cardio-oncology, Council on Cardiovascular Genomics, ESC Council on Stroke, ESC Council on Valvular Heart disease, ESC working group on myocardial function.**

- Member of Heart Math Institute (USA).
- Active member of many other national, regional, and international organizations, Societies, and Scientific Committees.
- 
- **International World Wide Research Programs**

**Participated in more than 50 international worldwide multicentres registries and studies.**

- **Euro Heart Survey ( EHS) –European Society of Cardiology (ESC)**
  - EURO HEART SURVEY (EHS) Acute Coronary Syndrome (ACS) snapshot, [ESC](#) (2010).
  - Euro Hear Survey (EHS) on Percutaneous Coronary Intervention (PCI) Registry (2008-2010).
  - Euro Hear Survey (EHS) on Acute Coronary Syndrome III (ACS III) registry, [ESC](#) (2008).
  - ACS study, [ESC](#) (2006).
  - Euro Hear Survey (EHS) on Heart Failure II (EHFII) Registry.<sup>[6]</sup>
  - PCI study (2005–2006).
  - Euro Hear Survey (EHS) on Atrial Fibrillation (AF) Registry (2004) (from which HAS bleed and CHAD2score Score have been established).
  - Euro Heart Survey on Ischemic Heart Diseases and Dibetes study (2003).
  - Euro Heart Survey on Coronary Revascularization (REVASC) registry study (2002).
- **EurObservational Research Program (EORP)**
  - EurObservational Research Program (EORP) on Pregnancy and Cardiac Disease (ROPAC) registries.
  - EORP on PeriPartum Cardiomyopathy (PPCM) registry
  - EORP on Cardiomyopathy Long Term registry.

- EORP on Heart and Oncology registry.
  - EORP on atrial fibrillation ( AF III) registry.
  - EORP on HF ( HF III) registry.
  - EORP on Cardiac imaging ( EUREKA) registry.
  - EORP on Endocarditis registry.
  - EEORP ( NSTEMI).
- Global registry of ACS and Covid- 19 ( World wide international registry on Covid 19 and ACS coordinated by Leicester University-UK).
  - Investigator and Collaborator in EHS, EORP, CMDR, COVID-19, many international, and GBD research programme ( IHME), and Washington university, Texas, Elenoi, and many other research programmes.

## **Others**

- GAPS-HF Study World Heart Failure Society.
- Expert opinion for EAPCI pre and post results for DAPT, ITALIC, ESAR-SAFE and MATRIX studies.Texas, Leicester, Washongton Universites, and many other international Scientific bodies and research programmes
- Lipogram registry in Egyptians.....etc.
- Expert and counsellor in Science and Technology Development Foundation ( Egypt), and in European Union, and Scientific organisations.

## **Publications and books**

- Published and coauthored more than 350 international Scientific papers in the cardiovascular journals with the heighest impact Factor (JACC, EHJ, Circulation, Chest....etc) as shown on his personal page on Web Of Science ( Publons), and 50 papers in national and regional journals.
- Published 6 books in cardiovascular disease with 450 illustrated text book on Heart Failure.
- Supervised, reviewed, and arbitrated more than 90 Master and doctorate thesis in invasive and noninvasive cardiology and related diseases

- Reviewed more than 1000 scientific papers for cardiovascular journals, international scientific organizations, and the Committee for promotion of Professors and Ass. professors in Egypt.
